

## **MORE INFORMATION ABOUT THE P4 THRU GRADE 4 JUNIOR COUGAR SOCCER LEAGUE**

When registering your player, there is a section for parents to select if they would like to be a coach / assistant coach.

**Practices:** Practices will be planned and scheduled by individual teams. They can practice whatever night and location works best for their particular team. Coaches will be encouraged to work with their local school to see if their is field time available to practice, or use public schools / parks. IMMANUEL HAS MCNAIR PARK, FIELDS 9 AND 10 AVAILABLE FROM 3:30-6:30 Monday thru Friday FOR PRACTICES starting August 6. CONTACT MR. SCHOEDEL TO RESERVE A TIME.

**Games:** Game will be played on Saturdays between August 20 - October 20. We will skip Labor Day weekend. October 27th is scheduled as a make up date for any potential cancelations. Games will be played at Lutheran HS. They will be played on the turf field, the grass soccer field, or on the grass practice field.

**Students:** The league is open to anyone grades Pre-K - 4th grade, regardless of school affiliation. We have already had a few kids who attend other local non-Lutheran schools register to play.

We will make every effort possible to keep teams together from previous seasons.

Regarding the numbers of players on each team, it will come down to how many players we have register.

PreK/K will have 5 players on the field; 1st/2nd will have 7 players on the field; 3rd/4th will have 8 players on the field. Ideally we would have enough on each team to have a few subs available.

It is a coed league. Each team should try to have close to a 50/50 balance of boys and girls on the field at all times. This is a fun learning instructional league. Teach skills, teamwork, and game experience.

### **Goal sizes:**
